

**Africa Opportunity Fund Limited****UK Reporting Funds Regime: Annual Report to Relevant Participants**

This report is relevant if you were an investor in a reporting share class of the above-named fund on 31 December 2025.

The share class set out below has been approved as having 'UK Reporting Fund status' by HM Revenue & Customs under the provisions of The Offshore Fund (Tax) Regulations 2009 (the 'Regulations'). This report constitutes the Report to Shareholders for the purposes of the Regulations in respect of the accounts period ended 31 December 2025. You should be aware that there may be a requirement for you to pay tax on 'excess reported income' as though you had actually received a distribution from the Fund.

If excess reported income has arisen, it is deemed to have arisen on the 'fund distribution date', being the date six months following the end of the reporting period, i.e 30 June 2026.

In order to compute the quantum of excess reported income relating to your shareholding, this can be calculated by reference to the number of shares held by you as at 31 December 2025.

Should you have any queries with regards to the content of this report, please contact your tax advisor.
